

1 section-by-section consideration of Committee Recommendation
2 No. LB-1.

3 The first section for consideration is section
4 3.01. The Chair recognizes Delegate Hanson to present the
5 minority report, LB-1A.

6 I am very sorry. Before we proceed to a
7 consideration of that, there should be an opportunity for
8 questions to the Committee Chairman.

9 Are there any questions to the Chairman for
10 purposes of clarification?

11 Delegate Marvin Smith.

12 DELEGATE M. SMITH: Mr. Chairman, I wonder
13 if the Committee gave consideration to the amount of travel
14 time that a delegate should be allotted, the distance from
15 his constituents?

16 THE CHAIRMAN: Delegate Gallagher?

17 DELEGATE GALLAGHER: Yes. At one time the
18 Committee considered prohibiting the payment of travel
19 expenses during regular sessions of the General Assembly.
20 However, we eliminated the prohibition against it and we
21 construe the prohibition against daily living expenses
