

1 any item it wanted in the budget; isn't that correct?

2 DELEGATE GALLAGHER: May I say to the Delegate  
3 that this is not the complete report of our committee. This  
4 is the principal structure report. I might also say that  
5 in the present Constitution, there are 61 sections that  
6 pertain to Article III, and in the preparation of the new  
7 draft, a great deal of this material falls in the province  
8 of other committees.

9 DELEGATE DORSEY: Do you know if there will  
10 be any other report from a committee that will prohibit the  
11 state from lending the full faith and credit of the State  
12 to public authority?

13 THE CHAIRMAN: I will refer that question of  
14 Delegate Sherbow, Chairman of the Committee on State Finance  
15 and Taxation, since that committee has that matter.

16 DELEGATE SHERBOW: Delegate Dorsey, each of the  
17 points that you have raised will be covered by the Report  
18 of the Committee on State Finance and Taxation, and covered  
19 fully and completely.

20 THE CHAIRMAN: Any further questions?

21 Delegate Mason.
