

1 DELEGATE GLEASON: I think the Chairman has explained
2 my point. Thank you.

3 THE CHAIRMAN: Are there further questions?
4 Delegate Wheatley?

5 DELEGATE WHEATLEY: Mr. Chairman, again on the
6 question I raised, I am not sure I was clear as to the
7 answer. If there was an extension of 30 days or an additional
8 30 days, must these two extensions also run consecutively
9 to the 90 days?

10 DELEGATE GALLAGHER: That is the interpretation.

11 THE CHAIRMAN: Delegate Adkins?

12 DELEGATE ADKINS: Mr. Chairman, I should like to ask
13 a question with relation to the matter of redistricting.

14 I assume that will be presented in a future
15 report? I wonder if the Chairman could just briefly outline
16 the method that they will propose for redistricting,
17 specifically with relation to the point of whether it shall
18 be completely legislative, by commission, by the Executive
19 or a combination of all three.

20 DELEGATE GALLAGHER: Yes. I think I can speak
21 for the section, although there has been no final vote.
