

1 DELEGATE GALLAGHER: The Committee found the four-
2 year term attractive. There is a great possibility
3 that the Federal Government will go to a five year census, a
4 quinquennial census rather than a decennial census, and
5 we may eliminate decennial in the redistricting proposal,
6 which is yet to come.

7 THE CHAIRMAN: Delegate Sherbow.

8 DELEGATE SHERBOW: Mr. Chairman, I would
9 like to ask Delegate Gallagher to clarify the latter
10 part of section 3.04. As I understand it, it simply means
11 that each senate district shall have one senator. I have
12 several questions.

13 Doesn't that envisage that that one Senate district
14 may in a number of places encompass more than one county?

15 DELEGATE GALLAGHER: That is correct.

16 DELEGATE SHERBOW: If there are to be three
17 delegates under this proposal from each senate district,
18 it encompasses also the requirement that these three
19 delegates be from that one senate district, which may in
20 turn include more than one county.

21 DELEGATE GALLAGHER: That is correct.
