

1 governor to submit recommendations to the General Assembly,
2 it seems to me is an important part of that process.

3 THE CHAIRMAN: Delegate L. Taylor?

4 DELEGATE L. TAYLOR: Delegate Hanson, did you
5 consider the effect of any regional problems being solved
6 more easily by the combination of three or four delegates
7 under the unicameral system?

8 DELEGATE HANSON: Excuse me, do you mean the
9 combination of three or four delegates in a single
10 district or in a district?

11 DELEGATE L. TAYLOR: In several districts. Say,
12 for instance, if they had a regional problem under discussion
13 in the unicameral body, would it be easier for them to
14 solve this particular problem or would it be more difficult?

15 DELEGATE HANSON: I do not think one can make a
16 very good judgment on that kind of a question.

17 I think it would depend upon the problem itself and
18 its complexity moreso than the basis -- the basis of district-
19 ing, however, might have an important role on it.

20 We favor single-member district, as does the
21 committee report, because we believe that this further
