2 I am very happy to be able to advise the  
3 Convention that I had a telephone message from Mrs.  
4 Morgan about half hour ago to the effect that Delegate  
5 Morgan is feeling much better. He has consulted his  
6 own doctor, who has suggested that he rest over the  
7 weekend, but sees no reason why he cannot return to his  
8 desk on Monday. Delegate Weidemeyer.

9 DELEGATE WEIDEMEYER: Mr. President, I  
10 quite agree with your ruling that any committee should  
11 be allowed to inquire into subjects not specifically  
12 before them by proposal, but I would want to suggest  
13 that it might be well that after a committee has inquired  
14 into an area that if that committee feels that that  
15 subject merits a specific proposal or merits some  
16 consideration on a subject which may be embodied in a  
17 final report of a committee later on, that in order  
18 to apprise each and every one of the delegates and of  
19 the public of the subject under discussion and considera-  
20 tion, that that committee introduce by way of a proposal  
21 a formal bill so that every one of us will know that
