

1 THE CHAIRMAN: I do not know that I would agree
2 with your second proposition.

3 We will vote on the amendment as two distinct
4 questions.

5 The first question will be the portion of the
6 amendment embraced in lines 8 to 12. Following that we
7 will vote on the next two sentences, after discussion
8 closes.

9 DELEGATE BAMBERGER: My inquiry then is that the
10 effect of the second vote, that is, the effect of the vote
11 on the last part of this proposed Section 304 is a vote
12 on whether the district shall be single-member senatorial
13 districts, and double-member delegate districts.

14 THE CHAIRMAN: That is correct.

15 DELEGATE BAMBERGER: I wondered whether the purpose
16 of the motion to divide could be accomplished by the makers
17 of the amendment agreeing to delete from the amendment 12
18 to 16 so that the issue is squarely before us on the number
19 of legislators.

20 Can that be done?

21 THE CHAIRMAN: I am not sure I follow you.
