

1           Next week we are going to devote the hearings  
2 to general discussions of state, municipal, county  
3 relationships.

4           Our obvious problem in the field of local  
5 government, I think, is that we are unable to segment  
6 out particular aspects of this general subject that I  
7 just mentioned and have specific hearings at this time  
8 on these aspects, and I want to make every delegate  
9 well aware that when a county commissioner or  
10 representative comes in, he will be talking about every-  
11 thing from state government to regional government  
12 to county government to his relationships with his  
13 municipalities, with municipalities in his area.

14           Continuing through that week, and I hope  
15 to provide a detailed schedule, we will hear from  
16 virtually all, representatives of virtually all of the  
17 county government. Commencing on Friday, the 22nd, we  
18 hope to have with us representative mayors. We have  
19 sent communications to every county government and to  
20 every mayor saying that we are willing to hear from  
21 them, but we are also contacting specific mayors to
