2 before scheduled hearing, we will not be able to
3 provide the reporter to report stenographically. I
4 am not suggesting that you now deluge us with requests,
5 because we want to hold stenographic reporting of
6 committee hearings to a minimum, because of the
7 expense and other problems involved, but if any of you
8 have been assuming that you have hearings of such
9 importance that it is desirable to have them reported
10 stenographically, ^{and} /you have forgotten to notify us,
11 please communitate with the Clerk's office before you
12 leave today.

13 I also want to remind you of what I said
14 yesterday anout the transcript of these proceedings,
15 and emphasize again that I am sure that you will find
16 these to be documents you want to retain. Thus far
17 you have or should have the first two installments.
18 The third installment is partially complete. It has
19 not been circulated because we do not want to leave them
20 lying around. That installment and perhaps today's
21 will be available for you Monday. Please guard them.
