

1 regrettable, that we cannot provide individual representa-
2 tion in the General Assembly for each county.

3 I suggest that the compromise reached by
4 the Legislative Branch Committee is the best before
5 this body. I urge that you support it.

6 THE CHAIRMAN: Any other delegate desire to
7 speak in favor of the amendment?

8 Delegate Vecera?

9 DELEGATE VECERA: Mr. Chairman, I desire to speak
10 in favor of the amendment.

11 I urge the committee to consider this very
12 carefully in that it is such a significant issue that
13 I think the Constitution may hinge on this one factor.
14 I urge the adoption of this in that we may begin the long
15 road toward ratification of this great document, and all
16 of the other hard work that many of our committees are
17 placing upon this document.

18 I think this issue is of such significant value
19 that we ought to consider it very carefully, and I strongly
20 urge each and every one of you to vote for this amendment.
21 Thank you.
