

1 not have enough people in them to justify a delegate.  
2 Is that correct or incorrect?

3 DELEGATE GILCHRIST: This is incorrect.

4 THE CHAIRMAN: Any further questions?

5 DELEGATE SOLLINS: Mr. Chairman, I just  
6 dispute the figures.

7 THE CHAIRMAN: This is just a question period.  
8 You can dispute the figures in the debate period. Any  
9 further questions?

10 Delegate Chabot.

11 DELEGATE CHABOT: Delegate Gilchrist, would you  
12 tell us what would be the range of populations in the  
13 districts? What would be the population of the smallest  
14 and what of the largest?

15 DELEGATE GILCHRIST: I can tell you precisely  
16 in senatorial districts. You understand this was not done  
17 with census tract maps. This was done simply on the  
18 basis of -- it is also run on an estimated population  
19 basis, so we have the 1970 estimate. The low group in the  
20 senatorial district is 102,000 in Washington County. The  
21 high in it is 114,000 in the combination of Harford,
