

1 numbers of 35 and 105, but there certainly is great justi-
2 fication for it.

3 If someone wanted to argue two or three in
4 any direction I could not say they were wrong. I simply
5 say we felt we were compelled, and I believe rightly so,
6 to address ourselves to the question of the proper number,
7 and we believe that we have in this house at this
8 moment a majority of the members who will agree to vote
9 for 35 and 105. That is the science, call it what
10 you will, by which we arrived at the figures.

11 THE CHAIRMAN: Any other delegate desire to
12 speak in favor of the amendment?

13 Delegate Grant.
