

1 DELEGATE GRANT: I would like to ask --

2 THE CHAIRMAN: You have been recognized; let me
3 see if anybody else desires to speak.

4 DELEGATE GRANT: I wish to address a question to
5 Delegate Hanson.

6 THE CHAIRMAN: Delegate Hanson, will you yield
7 for a question?

8 DELEGATE HANSON: Yes, sir, I yield for a
9 question.

10 DELEGATE GRANT: Delegate Hanson, you described
11 in detail how they arrived at figures in Maryland legis-
12 lature. However, yesterday, you were urging on us uni-
13 cameralism and it was described in detail how the State of
14 Nebraska arrived at unicameralism. In both cases perhaps
15 the means were disreputable, but do you consider that
16 necessarily makes the end disreputable?

17 DELEGATE HANSON: I have not yet fully considered
18 Nebraska history as accurate as the Maryland history
19 which I just represented. I think there were some other fac-
20 tors that were involved.

21 Now that the unicameral question has been re-
