

1 you a question. Is it urgent that the matter be acted
2 upon two days hence?

3 DELEGATE BAMBERGER: I don't know how urgent
4 it is that we regulate lobbies before the Convention
5 but this is a matter which has been before the Committee
6 for some time.

7 THE PRESIDENT: I think it is highly desirable
8 that it be acted upon promptly but I think it is much more
9 desirable that the delegates have a copy of what is to be
10 considered for the full time provided by the rules.
11 I don't know why this has not been reproduced. It has
12 not been. I would therefore prefer to hold it to see that
13 it is reproduced. It can be introduced tomorrow.

14 Delegate Scanlan?

15 DELEGATE SCANLAN: On that subject, Mr.
16 President, there is a typographical error, in the very
17 last paragraph on Page 4.

18 THE PRESIDENT: Delegate Scanlan, if so, can
19 we correct it with the Clerk and not take up the time
20 now?

21 DELEGATE SCANLAN: All right.
