

1 DELEGATE SHERBOW: Mr. President, I want to
2 announce the Committee on State Finance and Taxation will
3 meet immediately after this session is over. We will meet
4 tomorrow morning at nine-thirty. That is a slight change
5 in plan and the public hearings will begin tomorrow at
6 ten o'clock. I would like to suggest to the rest of the
7 Convention and to the Delegates, that if you see any
8 witnesses wandering around wanting to know where the Shaw
9 House is, just tell them it is across the street where
10 the oldest club used to be. People have trouble finding
11 us.

12 THE PRESIDENT: Thank you. Any other announce-
13 ments by Committee chairmen? Delegate Scanlan?

14 DELEGATE SCANLAN: Mr. President, the Rules
15 Committee will meet tomorrow following the conclusion
16 of the session in the basement of the Shaw House, more
17 accurately described as the house nearest the bar of the
18 Treadway Inn, but we will consider at that time three
19 things; the pending resolution to create a committee on
20 public information; a report from our sub-committee on
21 the manner of filling vacancies and finally, a report from
