

1 Let me further say at this point, that the
2 officers are very reluctant to change the hopper rule
3 which presently stands that the hopper closes two hours
4 before the session commences. This is causing some problems
5 because at the moment at least, there has not been suff-
6 icient time to enable us to reproduce all proposals which
7 come in at the last moment. If we find that we cannot help
8 it, we will advance the hopper time by another hour.

9 I suggest to you, however, that we can avoid doing
10 this if each delegate will make it his business to get his
11 proposals to the Chief Clerk's office as early in the morn-
12 ing as possible.

13 Delegate Proposal No. 68. The Clerk will read
14 the proposal.

15 MR. BURRELL: Delegate Proposal No. 68, by
16 Delegate Willoner. A proposal that Article I of the
17 Constitution containing the Declaration of Rights shall
18 contain the following provision regarding the protection
19 of religious freedom.

20 THE PRESIDENT: Delegate Proposal No. 68
21 is referred to the Committee on Personal Rights and Preamble.
