2 THE PRESIDENT: Any further announcements by
3 committee chairmen? Delegate Moser?

4 DELEGATE MOSER: Mr. President, the Local
5 Government Committee will meet 15 minutes after the close
6 of today's session. No witnesses will be heard. The
7 schedule of this committee for tomorrow is as follows:
8 At 9:00 a.m. we expect to have Mr. David Scull, Mr. Mason
9 Butcher, from Montgomery County; that is at nine, and at
10 eleven, representatives of Prince George's County.
11 Mrs. Spellman is unable to be here at that time, however.
12 We also expect to have witnesses from the Washington
13 Suburban Sanitary Commission and the Maryland National
14 Capital Park and Planning Commission at eleven.

15 Tomorrow evening at 7:00 p.m., representatives
16 of Baltimore County will be heard by this committee.

17 I will try to send a copy of our daily schedule
18 to each committee chairman so that it may be posted
19 in each committee room. I understand that these are not
20 now being distributed but all committee schedules are
21 posted on the board outside the assembly room here.
