

1 I understand that all of the proposals which
2 have been read across the desk today have been reproduced
3 and either have been distributed or will be in a very
4 few minutes. Delegate Scanlan?

5 DELEGATE SCANLAN: Mr. President, I would like
6 to move at this time that the Convention extend its
7 congratulations to Delegate Rybczynski who, no matter how
8 much he is neglected on the board, has a wife who gave
9 birth to their ninth child this morning.

10 THE PRESIDENT: Delegate Rybczynski, I am sure
11 you want to record this remark on the tape; so let's be
12 sure your microphone is working.

13 DELEGATE RYBCZYNSKI: So that I won't forget it,
14 Mr. President, just by way of response and by way of
15 explanation, not only as to the cigars, although it might
16 be nice for me to distribute a cigar to each desk, I did
17 it symbolically by going north, east, south and west. I
18 want you to know I was not a cheapskate about this. I
19 really paid a dollar for each cigar. I get to keep the
20 watch that came with the cigars. Thank you.

21 THE PRESIDENT: Are there any other motions?
