

1 members of the Staff, to some errors, either typographical
2 or otherwise in the transcript. It is not necessary
3 that these errors be corrected on the floor. They are
4 largely errors of spelling or misunderstanding of a name,
5 or a matter of that sort. We are, however, very anxious
6 that the final complete transcript which will be printed
7 be as free of all error as possible. I would therefore
8 urgently ask you when you read the transcript, any part
9 of it, if you note an error of any kind, if you will
10 simply either pick up the phone and call one of the
11 secretaries in my office or drop a short memorandum call-
12 ing attention to the error; all you have to do is give us
13 the page and line and very briefly what the error is. We
14 are accumulating these. Do not assume that the error is
15 so obvious that someone else will pick it up, and there-
16 fore you don't have to mention it, because it is quite
17 often these most obvious errors which are missed by
18 almost everyone; so no matter how minor, no matter how
19 inconsequential it may seem, it would be a real service to
20 the Convention if you will take the trouble, either to
21 telephone my secretary or give me a memorandum of it.
