

1 DELEGATE SCANLAN: Mr. President, I believe
2 the Committee on Rules also has a Fifth Report that
3 I had hoped would be distributed to the delegates. It
4 is our report on Delegate Robey's resolution with
5 respect to the creation of a Committee on Public Informa-

11 Clerk. It will be submitted on Monday.

16 Robey impresses me with the urgency of the consideration
17 of his resolution. The committee has recommended a
18 favorable report, with some modifications with respect
19 to Delegate Robey's resolution. Under the rules, I
20 think it would be in order at any time and we would like
21 to consider it Monday, since two session days have passed
