

1 which is contingent, and I am reading now from Page 4
2 of the proposed regulation, in whole or in part, upon
3 the adoption or defeat of any matter or proposal and
4 no person shall accept any such employment or render
5 any such service for a fee, salary, or other compensa-
6 tion, contingent upon such adoption or defeat.

7 Delegate Morgan called attention to the
8 fact he thought that was too limited, and we looked at
9 it again. Actually the statutory provisions which
10 regulate lobbying in the Legislature of this State are
11 broader; not only whether proposals are adopted or
12 defeated but whether or not the compensation is
13 contingent in any way upon the partial or complete
14 success of the outcome, so the amendment I will move in
15 a little while will strike the last line on Page 4, to
16 substitute therefor, or other compensation that is
17 determined "in whole or in part with reference to the
18 result accomplished."

19 I think in that respect we are more harmonious
20 with the present statutory provision, and it is a little
21 more, a little broader coverage. It represents a little
