3 second paragraph thereof; reading, an agent who has been
4 engaged or hired for an additional purpose by the person,
5 firm, corporation, association, political subdivision,
6 or agency of the State of Maryland, or of any other
7 political subdivision for whom he acts as agent, shall
8 report among his receipts that part of his fee, salary,
9 or other compensation reasonably allocable for the
10 performance of his duties as agent, and shall state the
11 basis for the allocation.

13 presiding officer, the President, Mr. Bamberger was

15 misstate any of the details of this. That is how I
16 read it.

17 DELEGATE GLEASON: I really wanted a
18 clarification of what that other purpose was.

19 DELEGATE SCANLAN: If the chair would
20 permit, I would like Mr. Bamberger to further reply in
21 event I haven't captured all of it.
