6 delegate and he would have to register within three days
7 after having done so.

8 Now the third alternative, he was engaged
9 by, say, the good citizens of the Baptist and
10 Catholics united of your county to present their views.
11 He would have to register only if he came down here and
12 testified before your committee. At that time he would
13 have to register. Does that answer your question?

14 DELEGATE KIEFER: I think so because this
15 thing specifically represents a group, and I assume it
16 is for hire, because it indicates that, and specifically
