

1 move that the regulation be printed as an appendix
2 with the rules when those rules are either finally
3 printed or finally mimeographed, whatever the form of the
4 distribution of the rules may be, that that regulation
5 would be set forth as an appendix there.

6 THE PRESIDENT: Any further questions?

7 Delegate Scanlan, you may make your motion.

8 DELEGATE SCANLAN: Mr. President, before I
9 formally move adoption of the resolution, I would just
10 like to move two amendments, one completely stylistic,
11 and that is wherever the word resolution occurs in our
12 proposed regulations and in our report, that should
13 read "regulation." The reason for that is, the rule
14 that we adopted in July, Rule 69 of the rules, states
15 that the Convention may by resolution issue rules or
16 regulations with respect to the registration and
17 appearance of lobbyists. In effect our purpose is to
18 make this a regulation regarding lobbyists and therefore
19 I move you, sir, that wherever the word resolution
20 appears in our proposed regulation, and in our report,
21 that it be read as "regulation."
