

1 the competence of the General Assembly to determine that,
2 say, auto injury cases should be taken out of the
3 judicial system and be handled by a newly created agency
4 which would determine the respective rights of the parties
5 in those cases.

6 DELEGATE MUDD: You mean tort cases or
7 traffic violations?

8 THE CHAIRMAN: Delegate Chabot.

9 DELEGATE CHABOT: Either.

10 DELEGATE MUDD: I think it is possible for the
11 legislature to provide for an agency to deal with the
12 revocation and suspension of licenses for motorvehicle
13 violations if that is responsive to your question.

14 THE CHAIRMAN: Delegate Chabot.

15 DELEGATE CHABOT: That only responds to part of
16 the question. Could they also say that we are disturbed
17 at the tremendous amount of time, use of jury trials, and
18 so on with regard to auto injury cases and take the auto
19 injury cases out and give them to a specialized agency.

20 DELEGATE MUDD: No, because that, I think, that
21 has been accomplished or has been discussed in some
