

1 THE CHAIRMAN: Delegate Clagett.

2 DELEGATE CLAGETT: Division, instead of func-
3 tion?

4 THE CHAIRMAN: That is my interpretation, yes,
5 sir.

6 THE CHAIRMAN: Delegate Malkus.

7 DELEGATE MALKUS: Mr. President, I have
8 several questions.

9 First I would like to direct to the Chairman,
10 or if the Chairman cannot answer it, to Delegate Bradshaw,
11 I want to talk about generally along the same lines that
12 Delegate Rybczynski talked about, how much is this going
13 to cost?

14 As I understood Delegate Bradshaw -- I am not
15 making a speech. I have to lay the groundwork of the
16 question, qualify the witness -- as I understand it, he
17 said if we put this thing in effect it will cost \$250,000'.
18 I want to ask Delegate Mudd or Delegate Bradshaw or the
19 Chairman if he is serious in that answer. Either one may
20 answer.

21 THE CHAIRMAN: Delegate Mudd.
