2 system that we now have, and apparently what everyone is
3 trying to get away from, that that would not be correct,
4 to say the establishment of inferior courts.

5 I think that I should also point out that there
6 are no States, to our knowledge, that provide for a four-

8 you are really starting from the bottom and working up.
9 Our amendment goes to the problem of what other special,
10 or additional courts may or may not be needed. I don't
11 know of any now, but inasmuch as we are writing this Consti-
12 tution for 50 or 100 years, the situation might develop;
13 so other inferior courts probably would not be applicable
14 with a four-tier court system that we would adopt.
