

1 Commissioners.

2 THE CHAIRMAN: Delegate Henderson, do you have
3 a question?

4 DELEGATE HENDERSON: No.

5 THE CHAIRMAN: Any other questions of the
6 minority spokesman?

7 Delegate Marvin Smith.

8 DELEGATE M. SMITH: Delegate Johnson, you have
9 just made a statement here about a number of judges being
10 opposed to this appointment power on the part of the
11 commissioner. Now, my notes show that there was one judge
12 who made the statement, one from a metropolitan area,
13 not familiar with the problem, and no others.

14 Now, maybe you have a better recollection than
15 I and can enlighten me.

16 DELEGATE JOHNSON: My recollection, Delegate
17 Smith, is that with very little exception, and that may be
18 just the one exception that you are speaking of, but I
19 don't believe that any judge came before our committee and
20 urged the adoption of the appointive power in the judiciary
21 of the commissioner.
