4 THE CHAIRMAN: Now, Delegate Rybczynski, the
5 stop-watch.

6 DELEGATE RYBCZYNSKI: Mr. Chairman, I think that
7 most of the people in this room who are not lawyers will
8 be greatly surprised to learn that today, this very
9 minute, and for quite some time, the State of Maryland
10 has been operating under a four-tier system. We have on
11 the one side of our building a Court of Appeals, on the
12 other side of our building we have a Special Court of
13 Appeals, on the Church circle we have a Circuit Court,
14 which is the third tier, and in the basement of that
15 same building is the People's Court, which amounts to a
16 four-tier.

17 This is in existence today. And as part of that
18 existing system, we also have some specialty courts.

19 Now, Mr. Chairman, a very interesting phrase
20 was used here this morning: Administrative courts.

21 I think it hits very well to the very hart of
this entire situation. I suggest to you, Mr. Chairman,
that what we will do is to cause subterfuge in the future.
