

1 everything that does not pertain to this particular  
2 amendment. I would just get rid of the word "exclusively",  
3 which, as Mr. Case said, is implied anyhow.

4 THE CHAIRMAN: The rule requires that amendments  
5 be printed. The Chair will be disposed to ask if there  
6 is any objection to considering the amendment without it  
7 being printed, with the assurance it will be printed and  
8 be filed with the records of the Convention.

9 The suggestion is that Section 5.01 be amended  
10 by striking the word "exclusively" in line 11. Is there  
11 any objection to considering it without the printed amend-  
12 ment being before you?

13 The Chair hears no objection.

14 Is there a second to the motion?

15 (Whereupon, the motion was seconded.)

16 THE CHAIRMAN: This will be considered as  
17 Amendment No. 3.

18 Delegate Storm, will you please see that it is  
19 printed, so that it is available for us later?

20 DELEGATE STORM: May I express my appreciation  
21 for the gracious way you handled that?
