

1 THE CHAIRMAN: Express your appreciation to the
2 House.

3 Any one member could object and defeat you.

4 Delegate Storm, the Chair recognizes you to
5 speak to the amendment.

6 DELEGATE STORM: The only thing I wish to empha-
7 size is that this is, as Mr. Case said, clearly implied
8 in the language of the old Constitution as well as in
9 this, even though we leave it out, and excess verbiage,
10 especially when it has not been used in the Legislative
11 Branch, to say that the General Assembly has the exclusive
12 right to legislate, and we have not said it in the execu-
13 tive, that the governor has the exclusive right to be
14 the governor, it just kind of worries me and Mr. Case made
15 it very clear that this is implied anyhow.

16 When we set up a Judicial Branch, I would just
17 feel about this in the future if we did not make it so
18 exclusive.
