

1 I am very interested in the Committee, as I am sure all
2 the members of the Convention are, and I think it is very
3 important to spell out any details that might arise as to
4 the exact intent. Therefore, I would ask the Chairman
5 in what I consider to be his concluding remark of the
6 Report, "Rather, the Committee's basic function would be
7 to recommend policy regarding the Convention's respon-
8 sibility in informing, educating and explaining the work
9 of the Convention and its results to the public."

10 I find this, the actual delineation of this
11 responsibility is somewhat difficult to verbalize in that
12 if it is not an administrative function and that it will
13 not be a reporting type agency, I assume from the remark,
14 I assume also that it would not present views in an edi-
15 torial fashion of any sort; is that correct?

16 DELEGATE SCANLAN: That is correct. I agree
17 with you there is some difficulty in the verbalizing the
18 function of the proposed Committee. It would be a policy-
19 recommending committee. It would recommend policy to the
20 officers and to the Convention through its officers. If
21 that policy at any time, if there was a policy dispute
