2 State of Maryland.

3 THE PRESIDENT: Delegate Kiefer?

4 DELEGATE KIEFER: Mr. President, tomorrow
5 afternoon, Chief Judge Dulany Foster will appear before
6 the Committee to speak to us on the question of verdict
7 in both criminal and civil matters, and perhaps touch
8 some other matters in connection with jury trial, both
9 criminal and civil. The Committee has tentatively
10 drawn up a complete list of dates for hearings, on the
11 various subjects with which it is concerned. This is
12 available at the Public Information Office. I hope
13 that all of the delegates who might want to appear or
14 suggest witnesses in any of these areas of personal
15 rights check this list or check with the Committee. There
16 is still, of course, opportunity for people to be heard,
17 but we must draw a line somewhere, and I would hope
18 that people who do want to be heard get in touch with
19 the Committee promptly.

20 THE PRESIDENT: Any further announcements by com-
21 mittee chairmen? The Chair recognizes Delegate Rybczynski.
