

1 DELEGATE MARION: The debate and discussion
2 both immediately prior to the supper recess, as well as
3 some of the discussion and conversation since then,
4 remind me of a story I heard over the weekend of the young
5 boy who was asked in school by his teacher what his
6 favorite Christmas carol was; and he said that he had a
7 favorite but he/^{just}couldn't remember the name of it, and the
8 teacher said, Well, do you know how the tune goes? He
9 thought a minute and said, No, he didn't remember how the
10 tune went. She said, Do you remember any of the words?
11 He thought for a minute, and he said, No, he couldn't
12 remember any of the words. With that the little boy next
13 to him said, You know, that is my favorite Christmas carol,
14 too.
