

1 THE CHAIRMAN: That is correct.

2 DELEGATE MARION: In attachment.

3 THE CHAIRMAN: I would suggest that you let me know
4 about that sometime during this morning and we will make
5 the corrections at the next session of the Convention.

6 The first item on the agenda for the Committee
7 of the Whole is the Special Order of Business, consideration
8 of Recommendation 1 of Committee Report EB-1. The present
9 posture of that matter is that the recommendation has been
10 amended so that it now reads:

11 The Committee recommends that a Board of Public
12 Works be provided for in the Constitution.

13 The vote by which, the tie vote by which the
14 recommendation is thus amended failed to be either approved
15 or disapproved, was reconsidered. The matter is now in that
16 situation..

17 The Chair recognizes Delegate Morgan.

18 DELEGATE MORGAN: Mr. Chairman, I have an amend-
19 ment to Committee Recommendation Number 1 of Committee
20 Report EB-1.

21 THE CHAIRMAN: State the amendment.
