

1 tested minion of royal power to the stepson of legitimate
2 domination, to a popular figurehead and finally to an effective
3 Chief Executive.

4 I think this is what we are trying to make our
5 Governor of Maryland, an effective Executive and I recognize
6 it is very hard for some of us to want to go quite as far as
7 maybe I do and some others, but I think what Mr. Justice
8 Holmes said, and he has been quoted many times on the floor,
9 it is not where you stand, but it is in which direction are
10 you moving that is really important.

11 I think we are moving to the effect of
12 strengthening our Governor. I think this has a couple of
13 happy by-products, and I would like to quote from the
14 Minority Report and say several worthwhile by-products also
15 rule. I believe language is clarified and reduced. The
16 temporary provision or transitory schedule is eliminated
17 and specific references to a legal or to a fiscal department
18 can be avoided.

19 Now, I may have to look again at how the Majority
20 Report works out apart from the Executive Branch situation
21 and mine may have to be slightly amended there, but I think
