

1 THE CHAIRMAN: Then, what I just stated was
2 incorrect and what I stated earlier was correct?

3 DELEGATE MORGAN: That is correct.

4 THE CHAIRMAN: Let me make sure there is no
5 misunderstanding.

6 If I understand you now, you are saying that the
7 phrase "by law" in Section 4.18 means a statute enacted by
8 the legislature and signed by the Governor or passed over
9 the Governor's veto and does not include an executive order
10 having the force of law under Section 4.19. Is that correct?

11 DELEGATE MORGAN: That is correct.

12 THE CHAIRMAN: Delegate Maurer.

13 DELEGATE MAURER: Mr. Chairman, under those
14 circumstances, I think merely taking out the temporary
15 provision will not provide the coextensive powers of which
16 we talked and therefore, I will have to offer still another
17 amendment.

18 Would this be a correct legal interpretation,
19 that we would have to take out the "by law" and leave
20 Section 4.19 to describe the method by which organization
21 and reorganization take place?
