

1 the state public school system and institutions of
2 higher education, there shall be a single executive, which
3 under other sections, would provide the appointment of that
4 executive by the governor.

5 In the case of public school systems and insti-
6 tutions of higher education, there would not necessarily
7 be a single executive. There could be a board or
8 commission at the head of it, in which event the chief
9 administrative officer would be provided by law, which is to
10 say the law would determine the manner in which the
11 chief administrative officer were to be selected.

12 Is that correct, Delegate Maurer?

13 DELEGATE MAURER: Yes.

14 THE CHAIRMAN: Delegate Pullen.

15 DELEGATE PULLEN: Mr. Chairman, the law could
16 provide that that chief executive, even though under board,
17 be appointed by the governor.

18 THE CHAIRMAN: It could.

19 DELEGATE PULLEN: That is the point that I
20 wished to make. In other words, to accomplish the purpose
21 for which Mrs. Maurer has presented her amendment, you have
