

1 Maurer's amendment would provide for educational insti-
2 tutions?

3 THE CHAIRMAN: Delegate Bard.

4 DELEGATE BARD: This is not my intention at all.

5 THE CHAIRMAN: The Chair didn't hear your answer,
6 delegate Bard.

7 DELEGATE BARD: It is not my intention, that
8 the amendment to the amendment would permit the General
9 Assembly to remove the exception.

10 THE CHAIRMAN: Delegate Marion.

11 DELEGATE MARION: So in other words, your intention
12 is merely to broaden the legislature's power to allow
13 other departments to be headed by boards, but not to
14 diminish the exception with respect to education?

15 THE CHAIRMAN: Delegate Bard.

16 DELEGATE BARD: That is correct.

17 THE CHAIRMAN: Delegate Bard, your answer wasn't
18 on the microphone.

19 DELEGATE BARD: That is correct, and this is why,
20 Delegate Marion, except for the state public school system
21 and the institutions of higher education precedes the first
part, rather than stated at the end.
