

1 THE CHAIRMAN: Delegate Bard.

2 DELEGATE BARD: Delegate Morgan, I think the word
3 "freeze" has a different connotation for me than this does
4 for you.

5 THE CHAIRMAN: Delegate Morgan.

6 DELEGATE MORGAN: I wish you would tell me what
7 kind of connotation it has for you.

8 THE CHAIRMAN: Delegate Bard.

9 DELEGATE BARD: For me, Delegate Morgan, for me the
10 word "freeze" is to take a situation in a state in which
11 it is exactly as it is and keep it within that state.

12 Maryland's educational school system has never
13 been frozen.

14 THE CHAIRMAN: Delegate Morgan.

15 DELEGATE BARD: It has been frigid at times.

16 THE CHAIRMAN: Delegate Morgan.

17 DELEGATE MORGAN: You would prevent the legis-
18 lature at any future time from changing the present organi-
19 zation of the Board, plus the superintendent under the
20 board?

21 THE CHAIRMAN: Delegate Bard.
