

1 other than educational systems shall be headed by single
2 executives.

3 Isn't there some way that we can have a test
4 vote?

5 THE CHAIRMAN: I don't know which group you
6 refer to now, when you say the minority. That is not the
7 intention of Delegate Maurer. It is not the intention
8 of Delegate Maurer.

9 Delegate James.

10 DELEGATE JAMES: May we take a vote?

11 THE CHAIRMAN: May the Chair explain at least
12 what it thinks the situation is and how we can quickly
13 move to a vote and decide the issue?

14 At the present time, the amendment to the
15 amendment, if adopted, under the statements as to the
16 intended meaning of the language, would have the effect
17 of providing that the educational institutions, the state
18 public school system and the boards of higher education,
19 institutions of higher education, should be headed by
20 boards and the legislature would have no right to change
21 it, but that as to other principal departments, they would
