

1 case we would urge that they use fiscal note. However,
2 even here we did not think it a subject which should be en-
3 shrined in the rules as a rigid requirement. We would leave
4 it to the good judgment of the various committees as to
5 whether or not in a particular case a fiscal note should
6 accompany the Committee recommendation.

7 On these grounds, therefore, the Committee
8 recommended that the resolution not be adopted; either
9 in its original, or as amended by its sponsor in his
10 appearance before the Committee in its original form.

11 THE PRESIDENT: The question is on the adoption
12 of Resolution No. 4, notwithstanding the contrary recom-
13 mendation of the Committee. Is there any discussion? Are
14 you ready for the question? A vote Aye is a vote in
15 favor of the adoption of Resolution No. 4, notwithstanding
16 the recommendation of the Committee. A vote No is a
17 vote against the adoption of Resolution No. 4. A vote No,
18 in other words, in effect, is an approval of the Committee's
19 recommendation. We, perhaps, should take a roll call
20 vote.

21 (Whereupon a roll call vote was taken.)
