

1 The day before yesterday Committee Recommenda-
2 tion S&E-2 was received. The Chair overlooked the fact
3 that suspension of the rules was required in order to
4 receive that report, since it had been -- or recommendation,
5 since it had been filed after November 17. Accordingly,
6 the Chair recognizes Delegate Koss for the purpose of
7 moving a suspension of the rules in order to receive
8 Committee Recommendation S&E-2.

9 Delegate Koss.

10 DELEGATE KOSS: Mr. Chairman, I move suspension
11 of the rules to permit the body to accept S&E-2.

12 THE PRESIDENT: Delegate Koss moves suspension
13 of the rules in order to permit receipt of Committee
14 Recommendation S&E-2.

15 DELEGATE KOSS: Thank you.

16 THE PRESIDENT: Is there any discussion? Is
17 the motion seconded.

18 (Whereupon, the motion was seconded.)

19 THE PRESIDENT: Any discussion? Since it is
20 for suspension of the rules we will have to have a roll
21 call vote. Are you ready for the vote?
