

1       carte blanche authority to create any offices other than  
2       those already provided for under the rules. The intention  
3       is to create new officers, and the Convention must do that  
4       by rule change. At that point the appointment of judicial  
5       officers would flow from this rule.

6               Your second question, sir, I believe was whether  
7       this would have any impact upon the matter of filling  
8       vacancies should they arise in the office of either the  
9       First or Second Vice-president. Since that is specifical-  
10      ly provided for by the rule of the Convention already  
11      adopted, which this resolution does not amend, I think  
12      the answer to your question is that it would have no  
13      impact on that, Dr. Burdette.

14              THE PRESIDENT: Any further discussion? Are  
15      you ready for the question? The question arises on the  
16      motion to adopt Resolution No. 1. All those in favor,  
17      signify by saying Aye; contrary, No. The Ayes have it.  
18      It is so ordered.

19              Are there any other motions or resolutions?

20              (There was no response.)

21              THE PRESIDENT: Is there any unfinished business?
