

1 DELEGATE B. MILLER: I am sorry that I have to
2 take a different position from my Chairman on this matter
3 but I feel that the number of people who voted for Amend-
4 ment 14 and 15 feel that when the House votes on its own
5 rules, and its own decisions, that this is a different
6 type of procedure, and that in that case, a constitutional
7 majority might be necessary, but I would think that in the
8 examples we have heard today, of legislators who have
9 deliberately obstructed the passage of bills because they
10 did not wish their votes known to their constituents, that
11 a different kind of situation prevails, and I would urge
12 that we vote no on Amendment 16.

13 THE CHAIRMAN: Delegate Marion.

14 DELEGATE MARION: Mr. Chairman, may I ask a
15 question of Chairman Gallagher?

16 THE CHAIRMAN: We are beyond the time of ques-
17 tions. He does not have the floor. The Chair permitted
18 it in that one instance and will again but we cannot at
19 this point in the discussion have questions of the commit-
20 tee chairman.

21 Delegate Gallagher, do you yield to a question?
