

1 We do not, and I emphasize "not," Delegate Case and I
2 intend to have this so construed as to prevent executive
3 sessions where you are dealing with matters referring to
4 individuals, their background, their past, and so on, where
5 sometimes character assassination can sometimes take place.

6 This is merely to have for the public the
7 votes, not only on bills and resolutions, but on the matters
8 relating to confirmation of officers and election of
9 officers. We urge the adoption of this amendment.

10 THE CHAIRMAN: Delegate Gallagher.

11 DELEGATE GALLAGHER: Mr. Chairman, I agree
12 that this is a clarifying amendment. It may well be
13 that the transcript might reflect this as well, but I
14 think in the interest of clarification I would support the
15 amendment.

16 THE CHAIRMAN: Is there any further discussion
17 of the amendment?

18 Delegate Della.

19 DELEGATE DELLA: Mr. Chairman, will the
20 sponsor yield for a question?

21 THE CHAIRMAN: Delegate Sherbow, do you yield?
