

1 DELEGATE JAMES: Yes.

2 THE CHAIRMAN: The Pages will distribute  
3 Amendment "S". This will be Amendment Number 21.

4 For what purpose does Delegate Wiedemeyer rise?

5 DELEGATE WIEDEMEYER: Mr. President, I wanted to  
6 ask the Chairman of the Committee a question for the record.

7 I thought that when garbage was referred to that  
8 that provision in the Constitution that Delegate Case sought  
9 to strike was pure garbage and I had no idea but what the  
10 amendment would not prevail, but since it has prevailed and  
11 it mentions the Committees, I wonder if the Chairman would  
12 state for the record whether or not that includes the vote  
13 on subcommittees and subcommittees of subcommittees.

14 THE CHAIRMAN: Delegate Gallagher.

15 DELEGATE GALLAGHER: You said the amendment  
16 prevailed. The amendment had not prevailed.

17 DELEGATE WIEDEMEYER: I meant to say I thought the  
18 amendment would prevail, and I did not request to speak on  
19 it before. Now, since the amendment is lost, and the  
20 garbage is still in the Constitution, I think it ought to  
21 be further explained.
