

1 I am wondering, and this is merely a suggestion,
2 whether or not Delegate James wouldn't agree to withdraw
3 this amendment so that there wouldn't be a vote on it, and
4 with the idea that he and Delegate Gallagher will in fact
5 get together as Delegate Clagett has suggested for the
6 purpose of continuing these things in the document, so that
7 the visibility theory will be met, but making it clear
8 that these matters are not of such Constitutional dignity
9 that they could in fact force the scrambling of the laws
10 that would enmottle the brain of the best bond attorney
11 in the state.

12 THE CHAIRMAN: Delegate James.

13 DELEGATE JAMES: Delegate Case has explained the
14 matter from a strict legal standpoint just about as well
15 as it can be explained.

16 My political instincts tell me it is well
17 to withdraw the amendment.

18 THE CHAIRMAN: Do you do so?

19 DELEGATE JAMES: Yes, and to seek further assist-
20 ance from Delegate Gallagher.

21 THE CHAIRMAN: Delegate Gallagher.
