

1 THE CHAIRMAN: Delegate Bamberger.

2 (No response.)

3 THE CHAIRMAN: Delegate Adkins.

4 DELEGATE ADKINS: Would the Chairman yield for
5 a question?

6 THE CHAIRMAN: State the question.

7 DELEGATE ADKINS: Delegate Gallagher, you were
8 quite helpful this morning in clarifying certain problems
9 which I and my constituents had in connection with 3.02.

10 As some of the language in 3.02 is the same,
11 although slightly different as to the language this
12 amendment, proposed amendment contains, in view of the
13 fact that you gave an explanation in 3.02 this morning,
14 which in some way slightly differs from the explanation
15 that you have given this afternoon in connection with the
16 proposed amendment; may the record show that your explana-
17 tion of the language insofar as it was used in 3.02,
18 that is, the explanation you gave this morning, is intended
19 to control 3.02 without being buried by any potential or
20 possible conflict as a result of your explanation in
21 connection with the proposed amendment?
