

1 week. As is quite obvious to all of you, this has not
2 been accomplished. The Telephone Company is working
3 very hard to set this up and tells me that in another day
4 or so it will be complete. At that time we will get out
5 for you a memorandum as to telephone extensions. As of
6 now, there is a memorandum listing the telephone extensions
7 for each committee room so that at least you have a phone
8 at which you can be reached. There are ample copies.
9 There are some in the chamber. There are others at the
10 information desk, and if you don't get one, if you will
11 stop at the secretary's office, you will get one there.

12 It is very important that we have completed
13 a roster as quickly as possible. We could now print a
14 roster containing the names and addresses. The reason
15 we are delaying is, as you know, we had hoped to print
16 with the roster a photograph, a small photograph of each
17 delegate. A number of delegates have asked us please
18 to do this. The thing that is needed is your presence at the
19 State Office Building today or tomorrow to have your photo-
20 graph taken for the I.D. card. We will use a similar
21 photograph for the directory. We are also holding up
